

10 Bits of My Brain

Stuarts work defies pigeon-holing. All of these pieces, though, show a master storyteller at the top of his art. -- from the introduction by David B. Coe From the tiny life of a fly to the far reaches of space, from an elderly witch in WWIIs Lublin ghetto to a dragon detective in the modern worlds harsh streets, from tattoos and chess games to robberies and betrayals, these ten stories are packed with action, drama, and a bit of the weird.
