DO YOU WANT FREE MONTHLY TRAVEL UPDATES ON SYDNEY,MELBOURNE AND PERTH?.

YOU MAY LIKE TO BOOKMARK THIS PAGE FOR FUTURE UPDATES.

June 2016. Want to enjoy the best of Sydney Harbour from the bridge for FREE? You can walk across the bridge from Circular Quay (the entrance portal is not far from YHA Sydney Harbour) along a path taking you to Milsons Point on the north shore. You can then walk back to the CBD or take a train from Milsons Point. The views of the harbour, including the Opera House to the Pacific Ocean are amazing! Book mark this must do walk for your visit to Sydney. Every time I visit Sydney, I take this walk. The scenery is ever changing and last time I visited Queen Elizabeth 2 was approaching from the harbour entrance, accompanied by a flotilla of yachts.. . For further information on Sydney, please scroll down then click on the link above, top right. This guidebook on Australia is based on the personal experiences of the travel writer author combined with feedback from many readers. Its purpose is to give you the traveller, the best possible information to help you with your plans when you visit my homeland. I am always looking for ways to improve my reader experience and would love your feedback on this guide and how it could be improved. If you have your own personal travel experiences you think would benefit other readers, please reply to graemelanham@gmail.com Thank you for your valued feedback.

READERS SAT IT BEST. Planning to
visit Australia? Then get this book. Youll
find all the best places to visit, including
some smart tips for visitors.. Highly
recommended reading Derek Dupon. I
bought it for my Kindle and took it on the
cruise. It was invaluable. The info was
current and useful. Diana A. ABOUT THE
AUTHOR. Graeme Lanham is an
Australian travel expert and registered tour
guide with more than ten years experience
in travel writing. He has a passion for his
hometown Australia and an intimate
knowledge of these 3 cities. He is the
author of six other travel guides on
Australian destinations and topics.
