

Hand of the Dryad (Knights of the Red Branch Book 2)

The second book in the Knights of the Red Branch series Perfect for fans of the Divergent, Mortal Instruments, and the Maze Runner series. This gripping story is set in a magical world that coexists with our own, filled with suspense, adventure, and romance. A smart book, beautifully told with rich language, emotional depth, and cinematic action. Betrayed by their court, Sin struggles to save Finley from a magical wound that shatters the very essence of who he is, and who everyone expected him to become. As the enchantment drags him into the bowels of a dark and deadly magic the truth they must grapple with threatens their beliefs, their loyalties, and their very lives.
