Cover: Jacen Burrows Writer: Garth Ennis
Art: Jacen Burrows Readership: MR
Format: Full Color, 32 pages, monthly, 1 of 9
PRODUCT DESCRIPTION: Garth Ennis has pulled out all the stops to write the most twisted book of his career, Crossed. Through ten heart-stopping chapters, Crossed is his horrifically visceral exploration of the pure evil that humans are truly capable of indulging. This gut-wrenching vision is brought to vivid (and more than a little disturbing) life by his partner in crime Jacen Burrows. Imagine, for a moment, the worst crimes against humanity. Picture the cruelest affronts to decency. Conjure your darkest nightmares... and then realize it could all be so much worse. When civilization crumbles in one terrifying moment; when people are gleefully breaking into unthinkable acts of violence all around you; when everyone you love has died screaming in agony: What do you do? There is no help. There is no hope. There is no escape. There are only the Crossed. Certain to be the most depraved and corrupt book of the year, this one is not for the faint of heart! This terrifying first issue is available with a Regular or Wraparound cover by Burrows as well as a rare 1-in-15 Red Crossed Edition featuring a striking Black, White and Red cover by Burrows. Also available as a Signed Poster Edition which features the Wraparound cover to #0 as a poster, signed by the entire creative team of Garth Ennis and Jacen Burrows, packed in with a copy of #1 and a certificate of authenticity.
