

Soul Mates

Soul Mates is a fast paced thriller set in the heart of Floridas Emerald Coast. While on a pleasure trip in Orlando, Jack Roberts meets Megan, a beautiful and mysterious woman who, with her knowledge of intimate aspects of his life, convinces him that she has had a vision that his daughter, Jessie, is in danger. Still haunted by his failure to save Jessie from a brutal attack two years ago, Jack rushes home, determined to protect her this time. Complicating things further is the ugly ending of his roller coaster relationship with Priss, a woman his golf buddies refer to as Jacks psycho girlfriend. She wants him back and is willing to employ extreme measures to get her way. While Jack tries to identify and eliminate the threat to Jessie, cope with Priss craziness, and explore new feelings brought on by a special woman from his past, a sensational murder rocks his community and, much to his surprise, he is the prime suspect. Someone has targeted him in an elaborate and deadly plot. Rediscovering old inner strengths, Jack struggles to learn the truth and save both his daughter and himself.
