

## Once is Never Enough (Mills & Boon Modern)

Shes going to do this. Shes really going to do this! Nichole Daniels has had her share of heartbreak. Two broken engagements and a single bed are proof of that. But when a blue-eyed stranger offers her a taste of her every night-time fantasy of three long years shes considering putting an end to her dry spell! Garrett Carters reputation as a ladies man? Absolutely spot-on. A danger to her health? Definitely. The man for her? Not on your life. Nichole has no intention of getting involved with a man known to whisper almost any woman into bed! But something tells her that when it comes to Garrett one night will never be enough I love Miras writing; the conflict she manages to create always gets me going! Nicky, 53, Ludlow
