

The Dark-Hunters, Vol. 4 (Dark-Hunter Manga)

In the war against vampires, mankind has only one hope: The Dark-Hunters. Ancient warriors who died of brutal betrayal, the Dark-Hunters have sworn themselves into the service of the goddess Artemis to protect us. Its a pact with pretty good perks. Immortality, power, psychic abilities, wealth and a cool wardrobe. But it comes with a few drawbacks: fatal sun poisoning and a new, irreparable dental problem. But aside from the fangs and nocturnal lifestyle, its not so bad. In this volume, the adventure continues with Talon and Sunshine as they face off against the Greek and Celtic gods bent on making a major comeback.
