

Lunewulf: In Her Blood (Book 2)

Lunewulf - In Her Blood By Lorie OClare Book 2 in the Lunewulf series Elsa Rousseau will have nothing to do with Pack Law. She will choose her own mate. No one will tell her what to do, or who to do it with. But unfortunately, that means running from her pack, continually hiding and never settling down for too long. That is, until she meets Rick Bolton. Quite possibly he is more stubborn and willful than she is. Sparks fly the moment they lay eyes on each other. Elsa knows she has not only met her match, but the mate she will have no matter who tries to stop her.
