

A Black Womans Worth

Come take a journey into the lives of many different types of black women struggles. This book will help the world especially black men to get in tuned with the trials & Tribulations of black women, which is the key to black men survival. The first time in the history of modern day mankind the joy, pain, and suffering of the most mysterious and misunderstood advanced creature on earth will be exposed in detail. In order to truly understand somebody you will have to look at the world through their eyes. Its easy to assume looking outside in but the truth comes from looking inside out. This book will reveal the amazing strength of black women and how they are the closest thing to God because they have been whipped, mocked, lied to, betrayed and taken for granted just like the savior Jesus the Christ did at Calvary. Now take a deep breath, relax, drink some lemonade and clear your mind and behold a black womans worth.
