

A Crime of Passion (Joe Dillard Series Book 7)

A beautiful, young, rising star in the country music world is found dead in a Nashville hotel room. The owner of her record company is charged with murder. In the seventh installment of Scott Pratts bestselling Joe Dillard series, Dillard is hired to travel to Tennessee's capital city to defend Paul Milius, a record company baron accused of strangling Kasey Cartwright, his label's young star. Dillard navigates Nashville's unfamiliar legal system and the world of country music in search of the truth, but he soon finds himself confronted with a web of lies so masterfully woven that he fears he may never find any answers. As the trial begins and the tension mounts, Dillard fears that not only will his client be wrongfully convicted, but that Dillard himself may not survive. If you like *Reacher*, the *Lincoln Lawyer*, *Jake Brigance* and *Paul Madriani*, you'll be excited to meet Joe Dillard!

--Amazon Five-Star Review I predict it won't be long before you see Scott Pratts name mentioned with Lee Child, Michael Connelly, John Grisham, and Steve Martini when critics talk about legal/crime fiction.

--Amazon Five-Star Review Every bit as good as Grisham! Superb characterization, suspense, drama.

--Amazon Five-Star Review I love the Dillard Series by Scott Pratt. As a retired attorney who practiced transactional law and not civil or criminal litigation, I appreciate the way Scott reveals the tension between defense attorneys and prosecutors, the prejudices of both toward each other, the Judge, and law enforcement.
