

## A Dead Mans Tale (Charlie Moon Mysteries)

At seven feet tall, Colorado rancher and Ute tribal investigator Charlie Moon is a larger-than-life figure and a force to be reckoned with, on and off the reservation. Hard times have come to Colorado, and Moons ranch is feeling the pinch. Not so for Samuel Reed. He seems to have a special intuition when it comes to picking stocks, and claims to be able to remember the future, which gives him quite a leg up on Wall Street. So Reed is quite confident when he makes a wager with Moons best friend, Granite Creek Chief of Police Scott Parris, that Parris cant keep him alive. Even when Reed doesnt offer any details beyond the date and time of his impending demise, Moon has a sixth sense that everything will turn out just fine until not one, but two men end up left for dead. Now its up to Moon along with the help of his Aunt Daisy, an aged Ute shaman who can communicate with the spirit world to solve the case. Or die trying
