

A Demon Inside

2nd Edition Hunter Beaumont doesn't understand his grandmother's deathbed wish: Destroy Beaumont House. He's never even heard of the place. But after his grandmother passes and his first love betrays him, the family house in the Wisconsin woods looks like a tempting refuge. Going against his grandmother's wishes, Hunter flees to Beaumont House. But will the house be the sanctuary he had hoped for? Soon after moving in, Hunter realizes he may not be alone. And with whom? or what? he shares the house may plunge him into a nightmare from which he may never escape. Sparks fly when he meets his handsome neighbor, Michael Burt, a caretaker for the estate next door. The man might be his salvation or he could be the source of Hunter's terror. First Edition published by ManLove Romance Press, 2010.
