

The Associate

A poster boy for the American Dream, former blue-collar kid turned high-powered lawyer Daniel Ames is on easy street as an associate at Reed, Briggs, Portland's most prestigious law firm until one man ... and one case ... change everything. When a charismatic lawyer sues the firm's biggest client, a pharmaceutical company, for manufacturing a drug that causes unspeakable birth defects, Daniel believes the case has no merit. But when information implicating company malfeasance surfaces, the intrepid lawyer doggedly scrambles to find the truth. An investigation that leads him into a vortex of greed, corruption, deceit, and murder. Suddenly caught on the wrong side of the law and in the crosshairs of a powerful enemy, Daniel must unmask an evil conspiracy that wants to bury a deadly secret ... and Daniel with it.
