

A Family To Come Home To (Mills & Boon Medical)

Single father, single mother a very special family! Dr. Kat Leeman is so relieved to finally hire a temporary physician. Running a busy surgery and bringing up two lively boys by herself was starting to take its toll. Single father Dr. Ben Rossiter is just perfect for the job, even if he is also distractingly handsome! Ben and his daughter never settle anywhere for too long. But there is something about Kat and her sad gray eyes that make him want to stay. Can Ben face his past and heal Kat's heart? If so, they both may finally have a very special family to come home to.
