

A King of Infinite Space

This is the story of the last day of my life, and everything that happened after that. Back in print after a decade, *A King Of Infinite Space* is the final volume of Allen Steeles award-winning Near-Space series, and a cult-favorite among readers. Ranging from a Lollapalooza concert of 1995 to the asteroid belt of 2099, its the tale of a young man who dies, becomes reborn, and crosses the solar system in search of his lost love... and grows to be a better man, despite himself.
