

Drop Dead Gorgeous (Mills & Boon Blaze)

Dillon Cash used to be the biggest geek in Skull Creek, Texas until a vampire encounter changed him into a lean, mean sex machine. Now every woman in town wants a piece of the hunky cowboy. Meg Sweeney can't get over her old friend Dillon's transformation. Not only does she want him, but she's also dying to figure out how he did it. Because Meg is a former geek herself. If Dillon can suddenly morph into a stud, who's to say there isn't a sex kitten waiting to be unleashed inside her? She just needs a little instruction. Dillon's never been able to refuse his best pal, Meg, anything even sex lessons. Little does he guess that one life-changing night in her bed will leave him dying to live again.
