

The Bad Come Forth (The Zombie Awakening Book 5)

Chalice Hart and Colton Morgan have forged a life for themselves and their ragtag group of survivors, fortifying a mall into a place to wait out the apocalypse. But, there is evil still out there. The dead who want to eat them, and the living who want what they have and will stop at nothing to obtain it. When a survivalist group steal the young girls living at the mall, Chalice and Colton have to do what goes against their conscience to get them back.

The Darkening (The Zombie Awakening Series Book 1) eBook John said: The Darkening is the first book of the Zombie Awakening trilogy. I cant wait to see what comes next for this band of survivors, specifically Chalice
