

Perfect 10

Katrina's Lesson in Social Media Disasters or How Technology Can Bite You in the A** Katrina Phillips is an expert social media manager. But that doesn't mean she can't make mistakes. Horrible, hide-in-your-closet-forever mistakes like accidentally syncing her BootyBook app with her online profiles. Blammo. Now everyone in the world can see who Katrina has dated and how they rated in appearance, sexual performance and (OMG) detailed descriptions of their manly parts! Now her phone is blowing up with angry exes and an out-of-the-blue text from the only guy who came close to a perfect score. Katrina has had a thing for Drew Jordan since forever ago, even if a booze-fueled one-nighter did destroy their friendship. So why is he suddenly texting her now and is it because she rated his Sexy Staff of Manliness as magnificent? Now the only way to satisfy her curiosity is to reunite with Drew and rate him all over again!
