

A Sporting Murder (Greg McKenzie Mysteries Book 5)

Goodwill to men isn't the Yuletide theme when Greg and Jill McKenzie are hired to investigate rumors that something shady is involved in a deal to bring an NBA basketball team to Nashville. Their client is attorney for a group of Nashville Predators NHL hockey fans who don't think there's room for both pro hockey and pro basketball. When Greg goes to meet an informant, he finds the young man shot to death. What information did he have that would blow your mind? Things turn deadlier when a bomb goes off beneath Greg's Jeep. Complicating matters, a disgruntled felon Greg helped send to prison during his Air Force OSI career shows up with revenge in mind. The explosive situation reaches a climax on Christmas Day.
