

A Thugs Mistress

Reds father left him at nine years old and never came back. It was the lack of a fathers love that made him into the hard thug, drug dealer he had become. He had also become rich and liked to play as hard as he worked. It was his games that got him a predicament that he would never be able to get away from. Yamelia is Reds high school sweetheart and wife. She was educated, sexy and loyal. She had been his dream girl from the moment they laid eyes on each other. She had always been there for Red in good and bad times, but could she forgive a betrayal that cut so deep? Samantha had become Reds mistress and the problem that would never go away. She wanted to take Yamelias place and tried to do everything she could to do so. She got into Reds head and was determined to get into his heart. She got Red to financially provide for her and unlike his wife, she didnt mind getting involved in his gangster life. Now she had something to give Red that not even his wife could...his baby.
