

## Expats Guide to Sydney

Being new in a city can be hard. Even a cosmopolitan city like Sydney offers challenges to the expat, traveler or backpacker who may not be familiar with Australia's unique culture. Many people arrive in Sydney and are shell shocked by some aspects of the culture, the employment industry, migration guidelines, and the property market. This guide aims to introduce the reader quickly to institutions, networks and businesses that exist to assist anyone who's new in Sydney. There's help and it's hiding in plain sight. This guide points you in the direction to look. There's extensive information in this brief guide on obtaining visas, finding jobs effectively and quickly by harnessing the power of social media, adjusting to the challenges of the Aussie workplace and finding rentals and even buying a home. The faster one adapts to the amazing and ever dynamic Sydney culture, the quicker the rewards will come. Sydney is one of the most amazing cities in the world and it is the authors' pleasure to help the readers navigate the city's hidden job market and networks effectively to overcome any obstacles standing in the way of their success.
