

Endurance - A Novel of Terror (The Konrath/Kilborn Collective)

WELCOME TO THE RUSHMORE INN The bed and breakfast was hidden in the hills of West Virginia. Wary guests wondered how it could stay in business at such a creepy, remote location. Especially with its bizarre, presidential decor and eccentric proprietor. ONCE YOU CHECK IN... When the event hotel for the national Iron Woman triathlon accidentally overbooked, competitor Maria was forced to stay at the Rushmore. But after checking into her room, she quickly realized she wasn't alone. First her suitcase wasn't where she put it. Then her cell phone was moved. Finally, she heard an odd creaking under the bed. Confusion quickly turned to fear, and fear to hysteria when she discovered the front door was barred and the windows were bricked over. There was no way out... YOU'LL BE DYING TO LEAVE One year later, four new female athletes have become guests of the Inn. Will they escape the horrors within its walls? Or will they join the many others who have died there, in ways too terrible to imagine? ENDURANCE by Jack Kilborn Are you brave enough to finish? A Word of Warning: Originally scheduled to be released in paperback in 2010, the publisher read the final version of the manuscript and refused to release it. This is a disturbing, terrifying book.
