

Aint Nothing Like A Chi-Town Thug 3: A Hood Love Romance

Antoinette is ready to spend the rest of her life with Aaron but all of that changes in a matter of days when Tiana shows up and causes Antoinette to have a terrible accident. Unbeknownst to Aaron she blames him for everything that happens and continually forces him away. Aaron not knowing whats going on with his relationship seeks solitude from another woman. However; one night Aaron gets more than he bargained for and is forced to tell Antoinette about his infidelities. Antoinette takes the news differently then Aaron expected. Instead of her crying or lashing out at him she seeks comfort from her friend Stephan which causes her to be torn between two lovers and is now faced with the decision of a lifetime. Is the love that Aaron and Antoinette have for each other strong enough to handle the adversaries of their life or is it time for them to throw in the towel? Find out in the third installment of Aint Nothing Like A Chi-Town Thug.
