

Layover

The first time shed met him, hed been blindfolded and at her mercy. Partnered in a trust exercise, Graham had been enticed by the allure of Julias voice, and eagerly followed her direction to navigate a maze. But as a warm friendship developed between them, their mutual attraction remained unacknowledged. And in the long-distance e-mail relationship that followed, their reticence persisted. Until the day a cancelled flight stranded Julia in Grahams home town.Both tried to play it cool, though each had approached their dinner date with intense anticipation. But the minute they stepped into Julias hotel room, the flood gates opened and their unfettered passion exploded. What really excited Julia, though, was that as in the trust exercise, Graham was great at taking direction. Because what really excited Graham was pleasuring Julia as no one else ever had.
