

All Due Respect Issue #2

All Due Respect is back with thriller author Owen Laukkanen, whose latest book, Kill Fee, is due out in March. Weve got some seriously dark stories from CS DeWildt, David Siddall, Joseph Rubas, Eric Beetner, Liam Sweeny, and Scott Adlerberg. And we continue our quest to review every Hard Case Crime book. If you like your fiction hardboiled/noir, this is your magazine. Praise for All Due Respect: All Due Respect... is full of bars and beatings, guns and grifters, not necessarily the kind of crime to cozy up with by the fire, unless its one of those burning cars on the side of the road. -- David James Keaton, author of Fish Bites Cop This is perhaps the best collection of noir and crime short stories Ive come across. -- Big Als Books and Pals
