

Allergic to Loyalty 2

The anticipated sequel to Allergic to Loyalty.... Part 2 picks right back up where part one ended. Chloe is not only on a mission to finish what she started with Ashley but now she has a new vendetta against her father. Who says blood is thicker than water? Not when it comes to the double cross that Jordan has committed. Jordan feels that he has the upper hand and is going to come out on top. He is unaware of someone in the shadows who has been plotting and planning on him. This person has the power to turn his entire world upside down.

Dirk is racing against the clock to get Tre some help while he is still battling for his life. Word reaches Tres infamous uncle Nicholas of all the drama and disloyalty surrounding his family. He is ready to come from underground to settle an old score and regain his rightful place as king of Atlanta. With everyone having murder on the mind who will stay loyal to the ones they love or will we still see that everyone in these Atlanta streets are still allergic to loyalty.
