

Marine Ever After: Always a Marine

Marine Paul Torres is used to women who enjoy the pleasure of the moment and whom he can bed with a wink and a smile. But with so many of his friends settling down, hes turned on by the allure of finding the right partner as well. Even more so when he meets Lillianna Hansen while attending a wedding. After a passionate night, Paul wakes to find her gone and though he wants more than a one-night stand with the alluring Lily, his limited leave is up and hes forced to return to active duty. All Lillianna thought she wanted was a good time. But Pauls attention - even from thousands of miles away - is hard to resist, and while she tells herself repeatedly she doesnt want a relationship with a Marine, she cant deny the consequences of their passionate night. When she finds out shes pregnant, shes forced to reach out to Paul. But is she ready to let the father of her child be her Marine Ever After...
