

A Field Guide to Aboriginal Rock Engravings: with Special Reference to Those Around Sydney (Sydney University Press Publication)

This generously illustrated book serves as a practical guide to the sites and anthropological and cultural background of Aboriginal Rock Engravings. Included are an introduction to rock engravings and how they were made and used; specific maps, sketches, and photographs relating to some of the 2,000 sites in the greater Sydney area; and an authoritative discussion of these important prehistoric sites.
