

An Arrow of Love

Faced with the choice of marriage to the odious Dan Thorpe or being whipped into submission by her new stepmother, Melissa is in despair. Thankfully, she takes on the role of lady's maid to her friend Cheryl, who must pay a most reluctant visit to her guardian, Sergius, Duke of Aldwick, a hero of Waterloo. But the deception is unmasked, and Melissa is soon engaged in a succession of verbal duels with this cynical woman-hater—even after she saves his life! In the face of fresh dangers and the threat of scandal, Melissa knows that Sergius matters more to her than anything else in the world...
