

## She Walks in Darkness

A gorgeous Tuscan villa harboring a terrible secret houses this beautifully harrowing adventure of ancient mystery and modern intrigue. Archaeologist Richard Keyes and his resourceful young bride, Barbara, are expecting a blissful honeymoon in a welcoming new country. But from the moment they arrive in their secluded new home, circumstances conspire against them. The key to an ages-old mystery lies in the catacombs under the villa, in a familial conflict reawakened after generations of sacrifice, betrayal, and madness. This first publication of a newly discovered jewel from a World Fantasy Lifetime Achievement Award winner is sure to please readers of all genres.
