

## Now May You Weep (Duncan Kincaid / Gemma James Book 9)

Newly appointed Detective Inspector Gemma James has never thought to question her friend Hazel Cavendish about her past. So it is quite a shock when Gemma learns that their holiday retreat to a hotel in the Scottish Highlands is, in fact, Hazels homecoming -- and that fellow guest Donald Brodie was once Hazels lover, despite a vicious, long-standing feud between their rival, fine whiskey distilling families. And the fires of a fierce and passionate affair may not have burned out completely -- on Brodies part at least, since hes prepared to destroy Hazels marriage to win back his Juliet. But when a sudden, brutal murder unleashes a slew of sinister secrets and long-seething hatreds, putting Hazels life in peril, Gemma knows she will need help unraveling this very bloody knot -- and calls for the one man she trusts more than any other, Duncan Kincaid, to join her far from home ... and in harms way.
