

Anesthesia Secrets

Anesthesia Secrets, 4th Edition by James Duke, MD has the quick answers you need for practice and review. It uses the popular question-and-answer format of the Secrets Series to make essential guidance easy to reference and study. A list of the Top 100 Secrets in anesthesiology lets you review the most frequently encountered board review questions at a glance; and an informal tone, user-friendly format, and pocket size make the book both convenient and portable. A section on the Top 100 Secrets in anesthesiology provides you with a high-yield overview of essential material for study or self assessment. A question-and-answer format, Key Points boxes, bulleted lists, mnemonics, and a two-color page layout make information remarkably easy to reference and review. Practical tips from the authors provide valuable insights into best practices. The books portable size lets you carry it comfortably in your lab coat pocket. Thorough updates throughout equip you with the most up-to-date information on all areas of anesthesia, including the most current standards of care.
