

Dont Look Away (Veronica Sloan Series)

CAN A MURDER VICTIMS OWN MEMORIES BE USED TO SOLVE A CRIME? Detective Veronica Sloan isnt shocked by much. Having lived through the worst terrorist attacks in history which destroyed much of Washington, D.C. shes immune to even the most vicious brutality. But even she is stunned by the discovery of a murder in the basement of the under-reconstruction White House. Sloan and FBI Agent Jeremy Sykes have been assigned to investigate the homicide because the victim was a participant in a top-secret experiment. Veronica has been training for just this kind of case, waiting to use her special skills, anxious to learn if a recording device implanted in a victims head can help solve their murder. before the killer strikes again.
