

## Blood and Family (Oxford Paperbacks)

This new collection comprises four short volumes originally published by Kinsella's own Peppercannister Press. The first section, *Songs of the Psyche* presents a sequence of twenty-five poems. The following section, *Her Vertical Smile* consists of a single four-hundred-line poem on the theme of violence, order, and music. *Out of Ireland*, a metaphysical love sequence, and *St. Catherine's Clock*, which includes Kinsella's writing about family history and the bloody social history of the early nineteenth century, complete the collection.
