

ARROGANT MASTER (Arrogant Series Book 2)

I've never felt more alive than when I'm on my knees before my master. Some would say I should be ashamed. Others might say I'm filled with sin. I say I'm just a woman with unstoppable determination, doing whatever it takes to secure her freedom before the opportunity fades forever. Nobody knows about us. Not my father, my three mothers, or my seven brothers and sisters. I was bred to be chaste and true, expected to find a respectable polygamous man and carry on the tradition of our faith. But this man? The one who owns me with biting kisses and the crack of a leather paddle? He might be the only thing that can save me. Submission equals freedom. It's an equation I never thought possible until the day Dane Townsend showed up in my life. I'm Bellamy Miller, and this is what happens when an angel loses her wings. **AUTHORS NOTE:** This is a stand-alone spin-off of Amazon Top 10 bestseller, *Arrogant Bastard*. You do not have to read *Arrogant Bastard* first though this book does give away the ending. No cliffhanger. HEA.
