

The Wine-Dark Sea: Aubrey/Maturin series, book 16 (Aubrey & Maturin series)

Patrick OBrians Aubrey-Maturin tales are widely acknowledged to be the greatest series of historical novels ever written. Now, for the first time, they are available in electronic book format, so a whole new generation of readers can be swept away on the adventure of a lifetime. This is the sixteenth book in the series. At the opening of a voyage filled with disaster and delight, Jack Aubrey and Stephen Maturin are in pursuit of a privateer sailing under American colours through the Great South Sea. Stephens objective is to set the revolutionary tinder of South America ablaze to relieve the pressure on the British government which has blundered into war with the young and uncomfortably vigorous United States. The shock and barbarity of hand-to-hand fighting are sharpened by OBrians exact sense of period, his eye for landscape and his feel for a ship under sail.
