

Awakening

A terrifying, heart-racing up-all-night thriller perfect for fans of Gillian Flynn and Tess Gerritsen. You know that feeling? The one that makes you want to glance over your shoulder? All Clara Benning wants is a peaceful life as a wildlife vet, and to hide her disfigurement from the world. But now she doesn't have a choice. Because a man has died from a suspicious snake bite, and Clara's concern leads her to the abandoned house at the end of the lane, and an unspeakable tragedy that occurred half a century ago. A cracking story. Guardian. Sharon Bolton (previously S. J. Bolton) is the author of six critically acclaimed novels.
