

Bad Neighborhood (Misfit Horror Anthologies Book 1)

A themed anthology for extreme horror fans. In this chilling horror collection, 29 writers and poets have come together to share tales of the grotesque, the supernatural, and more. Their words will pluck you from your comfort zone and leave you for dead, or worse. Have you ever considered where evil bides its time when its not outside your door? What disturbing locale could make it feel safe? Weve all heard that home is where the heart is, but alas, that heart is sometimes racing. We hope you live in a good neighborhood.
