

How to Prepare for the NEW SAT with CD-ROM (Barrons SAT (W/CD))

The new 22nd edition of Barrons SAT test prep manual can now be purchased with a completely new and up-to-date CD-ROM. Both the book and the CD-ROM reflect the SATs latest major changes, which take effect beginning with the March 2005 exam. The optional CD-ROM makes test preparation easier than ever with features that college-bound students will appreciate. They include The manuals diagnostic test and all seven of its full-length practice tests set up to be taken on a home computer, with the added convenience of automatic scoring. All computer-version tests reflect the brand-new SAT Critical Reading section, which includes more reading passages than found on earlier versions of the SAT. All new multiple-choice questions with automatic scoring reflect grammar and usage questions presented in the SATs brand-new Writing section. Detailed guidance for preparing and composing the new student-written essay is also featured. Thoroughly updated math questions with answers reflect the new SATs expanded math section, which now includes topics from third-year college preparatory math. All of the manuals additional practice and review questions are presented on the CD-ROM. Again, students can take advantage of the automatic scoring feature. College-bound students will quickly discover that Barrons all-new combination SAT manual with CD-ROM is true state-of-the-art preparation for one of the most important tests that they will ever take.
