

Beautiful Lies

Twin sisters Mercy and Mack are what some would consider Detroit socialites. They live carefree lives until they fall unexpectedly for two men. Quincy is forbidden fruit for Mercy. Her father has forbidden her to stay away from him and that becomes something almost impossible for her to do. Mack is happy with her girlfriend Charity until she meets Kaemon. He's demanding, intriguing and the first man to ever get her attention. She finds herself enthralled with him only to discover he has a closet full of skeletons that are waiting to fall out. Ivy and Quinn have one thing in common, Hayward. He's the love of both of their lives and they soon find themselves wrapped up in a web of deceit that makes them question if he is even worth all of the pain and heartache. Follow these women as they deal with love, loss and heartache which all starts because of a couple of beautiful lies.
