

Before the Gringo came

Within memory of most gnarled and coffeecolored Montereno never had been so exciting a race day. All essential conditions seemed to have consulted together and agreed to combine. Not a wreath of fog floated across the bay to dim the sparkling air. Every horse, every vaquero, was alert and physically perfect. The rains were over; the dust was not gathered. Pio Pico, Governor of the Californias, was in Monterey on one of his brief, infrequent visits. Clad in black velvet, covered with jewels and ropes of gold, he sat on his big chestnut horse at the upper end of the field, with General Castro, Doiia Modeste Castro, and other prominent Monterenos. His interest was so keen that more than once the official dignity relaxed, and he shouted Bravo! with the rest, thereby increasing the excitement of the fire-blooded Califomians.(Typographical errors above are due to OCR software and dont occur in the book.)About the Publisher Forgotten Books is a publisher of historical writings, such as: Philosophy, Classics, Science, Religion, History, Folklore and Mythology.Forgotten Books Classic Reprint Series utilizes the latest technology to regenerate facsimiles of historically important writings.
