

Rabbits: a short story of the First World War

From the bestselling author of *Max*, a psychological thriller and mystery - a short story of the First World War. Two First World War veterans stare daily out across a contemporary wasteland at each other, both from different social classes, both bound by their wartime experiences. *Rabbits* is a small window onto the ties that bind and the things that divide. Approx 9 Kindle pages. Also published on Kindle: *The House of the Wicked* a Victorian murder mystery set in Cornwall and France in the 1880s; and *Pressure Cooker*, a story of love, friendship and redemption.
