

Love and Dreams: A Beach Reads Billionaire Tycoon Contemporary Romance (Book Club Edition) (Summer Sisters Tame the Billionaires) (Volume 2)

Book TWO in the Summer Sisters series from New York Times and USA Today bestselling romance author Jean Oram! One spitfire graduate. One sexy, burned out billionaire. One small island. Maya Summer thought it was supposed to be easy following the dream. Graduate, find a job, take over the world, and live happily ever after in a lovely Toronto penthouse. Not debt and unemployment. Meanwhile, Connor MacKenzie is living the dream. He's got the penthouse, the massive corporation, and wears the title of The King of Toronto as though he was born to it. But underneath it all, he's struggling to keep his life together and still make it all look easy. When Connor's doctor sends him deep into the Canadian Muskokas for much needed R&R, he ends up on Maya's old cottage veranda. For Maya, it's a dream come true--two weeks to convince hottie Connor that she should be his new right-hand business gal while gaining some much needed income to save the family's cottage. Only problem? Connor is on a strict no-work diet, and is dodging her flirtatious business advances like a Kung Fu Master. Will Connor be able to resist a new project presented by Maya and stay on the path to personal recovery? Or will he--despite his best intentions--succumb to her charms both in and out of the boardroom? This is the second beach reads book in the Summer Sisters contemporary romance series and includes summer love, a little bit of steam, and an alpha male who is seriously no match for the determination of the second born Summer sister.
