

## Bizarre Adventures #28 (1981 Magazine)

Continues from Marvel Preview #24 With issue #25, Marvel's black-and-white showcase magazine MARVEL PREVIEW was re-titled BIZARRE ADVENTURES. Content remained more or less the same, with themes changing every issue. The series continued to feature stories starring new and established Marvel Universe characters (some left over from other canceled series), new stand-alone stories, and adaptations of prose fiction. The final issue, #34, was published in a color comic book format, rather than as a black-and-white magazine.
