

## No Hero # 5 Warren Ellis

by Warren Ellis & Juan Jose Ryp Warren Ellis and Juan Jose Ryp, the team behind the fan-favorite Black Summer, are revolutionizing masked heroes yet again in the hottest new series of the summer! The Front Line are under attack from terrible forces they can barely see, at the same time as they seem to be falling apart from within - and caught in the middle is idealistic new member Josh Carver, still traumatized from his transformation into a superhuman, still coping with the fact that The Front Line may not be the team of heroes he thought it was. Someone is hell-bent on revenging themselves on The Front Line - and Josh Carver is next! This fierce fifth issue pushes the action to the limit and is available with a Regular or Wraparound cover by Ryp as well as a rare Design Sketch Edition featuring the initial character designs by Ryp.
