

One Night Rodeo (Blacktop Cowboys Novel)

A wild night with a cowboy turns into the ride of a lifetime in this Blacktop Cowboys novel from the New York Times bestselling author of *Wrapped and Strapped*. All it takes is one night to change a cowboy's life. Celia Lawson knows better than to tangle with sexy bull rider Kyle Gilchrist, who has earned a reputation for his love 'em and leave 'em ways. But after a tequila-fueled night, Celia wakes up to discover she's gotten herself hitched to the one man she never should have married! When Celia insists on an annulment, Kyle isn't ready to let go of his new bride. And when Kyle inherits a sprawling Wyoming ranch, he seizes the opportunity to enlist Celia's help. She agrees to lend a hand with two conditions. He's got six months to get up to speed as a rancher, then they'll get a divorce. And their marriage will be in name only. Though Kyle agrees to Celia's demand, he's out to prove he has what it takes to turn their one night rodeo into a lifetime of love.
