

Blood in the Water (Bonnie Parker, PI) (Volume 2)

From New York Times and USA Today bestseller Michael Prescott, author of SHATTER and COLD AROUND THE HEART, comes an electrifying new thriller, BLOOD IN THE WATER. Small-town private eye and part-time assassin Bonnie Parker thought the hit on Alec Dante was pretty routine - but Alects uncle, mob underboss Frank Lazzaro, has other ideas. Hes sworn to avenge Alects death, and hes willing to wade through an ocean of blood to do it. But Bonnies troubles dont end there. A street gang is gunning for her. A local police chief thinks he has the evidence to put her away. And a hurricane is about to make landfall ... It all adds up to a superstorm of murder, conspiracy, and betrayal. In a desperate fight, Bonnie will need all her skills to save herself as the storm waters rise.
