

Blood Obsession (A Vampire Paranormal Romance) (Deathless Night Series Book 3)

Sacrifices had to be made for the greater, bloody good. At least that's what vampire Aiden Sinclair kept telling himself when he woke up in an unfamiliar city, with no phone, no money, and no memory of how he'd gotten there, or why. All he wants is to get back to Seattle, and back to his job as a Hunter. But when he happens upon the lovely derriere of a cheeky witch in distress who is being hunted by creatures he finds he is all too familiar with, Aiden must make a choice: Suppress his fears and be with the girl? Or embrace the truth and save them all? Destinies will be fulfilled. Grace Moss may be a witch, but her magic totally sucks. Hence the reason she finds herself saying yes to an unexpected offer of aid from a dusty, yet yummy-smelling vampire with a sexy British accent and bright grey eyes that dance with mischief and heat her blood. Yet there's something rather strange going on with her new admirer: Something that makes her skin crawl, even as his touch makes her blood sing. And it's not just the fact that he has fangs. Now Grace and Aiden are being hunted relentlessly, and there's no escape in sight. To survive, Grace will have to accept him as he is - into her heart, and into her arms. And Aiden will have to trust that her love will be enough to save him. If you like Kresley Cole, Lara Adrian, Gena Showalter, and J.R. Ward, you'll love L.E. Wilson's Deathless Night Series!
