

CRUSH 2

What happens when the CRUSH youve had since you were a kid continues to crumble your heart, time and time again? As Jah struggles to make himself permanent in Jazmin's world, there always seems to be something or someone standing in the way. Not only does he have to continuously compete for Jazmin's heart with Sean, but an ex from her past has returned to stake his claim in her life. Seeing Jah with other women catapults Jazmin into a tailspin; but will she finally admit it, or will she continue with this emotional facade? An ex from the past could be exactly what she needs to get over what she had with Sean and what she never had with Jah. When the group of friends come under one roof and secrets are revealed, will anyone be left standing after everything hits the fan? This second installment of CRUSH takes you on a ride that will leave you wanting more!
