

With Her Craving: 10 (Lunewulf)

Part of the Lunewulf series. Cariboo werewolf shifter Jarvis Alger must be crazy. He's fallen for a Malta werewolf, the most-despised breed, due to a rumored penchant for violence. The more he tries to get Katrin out of his mind, the more he wants to drag her into his den for blistering-hot lovemaking. And when Jarvis proves he cares about her, not her background, she quickly succumbs. Katrin Keller actually is only half Malta werewolf, but she's accustomed to the hate thrown at her by ignorant Cariboo and humans. That hatred killed her parents, and sent her littermates Leisa and Magda on the run. But the law doesn't care about her half-breed status. Even the Cariboo cops will stop at nothing to eliminate her. Torn between the man she loves and the heritage she won't ignore, Katrin may have to choose between Jarvis and the very blood that runs through her veins. But as their passion grows, she's certain of one thing: she's willing to fight for both. A Romantic paranormal erotic romance from Elloras Cave
